OUR STORY / OUR FOUNDER

Rooted in Pakistan. Looking ahead.

Nangal Corporation is a project of SM GROUP.

Sajawal Manzoor

FOUNDER, NANGAL CORPORATION / PROPRIETOR, SM GROUP

With a background in farming, Sajawal Manzoor brings a practical connection to Pakistan’s agricultural roots and an appreciation for the ingredients that bring families together.

Through Nangal Corporation and its own food brand, NANGAL & CO. FOODS, he is developing a Pakistani pantry collection with a clear identity: basmati rice, grain flours, spices, desi ghee and mustard oil.

SM GROUP brings the founder’s projects together under a shared vision. Nangal Corporation is our food business project; Nangal Herds is another project within the group. Each has its own identity, connected by an appreciation for our roots and a purpose to build for the future.
